

SAVED Questionnaire on how your council is doing.

The SAVED Questionnaire has been created for all residents to participate in and rate how your council is performing. With on-going issues between the residents of sheltered housing and the council, its important that your own opinions are given. The more residents participate in the survey, the more pressure can be applied enabling us to get many of the issues addressed and fixed.

Please be aware that your all personal details will be treated with strictest confidenced and will not be disclosed to anyone.

Please return by post to: **SAVEDUSAP, 46 Dryleaze Court, Wotton under Edge, Gloucestershire, GL12 7BL.**
